

Hello from the U.S. Consulate General's Agricultural Trade Office (ATO) in Shanghai.

Welcome to the launch of Savor USA!

The United States is a dynamic food nation that offers limitless choices of delicious regional cuisines which encompasses our high-quality, safe, and nutritious agricultural products. In collaboration with several leading industry partners, ATO Shanghai is delighted to kick off the first phase of Savor USA – an enlightening, new program that showcases the diversified landscape of American cuisine.

ATO Shanghai has joined forces with Brand USA to bring you an interactive platform featuring the most up-to-date information about the health benefits, nutritional values, and harvest seasons associated with many U.S. agricultural products. We will also provide regular updates on cuisines from different U.S. regions and many delicious recipes that you can try at home.

As part of the Savor USA program, in the coming months ATO Shanghai will unveil a series of exciting activities that will offer you opportunities to travel to the United States and enjoy some exceptional U.S. foods and wines, visit our beautiful grocery stores, and enjoy the abundant U.S. lifestyle.

Be sure and check back regularly for updates and more information. I assure you this is just the beginning of Savor USA!

Please join us as we Savor USA together!  
Live it! See it! Taste it!

Best wishes,
